## Copyright

It is a fundamental condition that submitted manuscripts have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform, or any other reproductions of similar nature, and translations.

No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission from the publisher: Birkhäuser Verlag, P.O. Box 133, CH-4010 Basel/Switzerland.

**For users in the USA.** Copying done for any other than personal or internal reference use without the express permission of Birkhäuser Basel is prohibited. Where necessary, permission is granted by the copyright owner to libraries and others registered with the Copyright Clearance Center (CCC) to photocopy any article herein for the basic fee of \$1.50 per copy plus 0.20 for each page reproduction. Payments should be sent directly to the CCC, 21 Congress St., Salem, MA 01970.

**For users in Germany.** All rights reserved (including those of translation into foreign languages). No part of this journal may be reproduced in any form – by photo-print, microfilm, or any other means – nor transmitted or translated into a machine language without the written permission of the publisher. Only single copies of contributions, or parts thereof, may be reproduced for personal use. Copies reproduced and used for other than private purposes in an industrial or commercial undertaking are subject to copyright and, in such cases, a copyright fee must be paid to the VG WORT, Abteilung Wissenschaft, Goethestrasse 49, 80336 München, from whom conditions of payment can be obtained on request.
